Foreword

In this Pinnacle we, the Class of 1966, have tried to capture the many good times and fond memories that have come our way during our four years at Hamburg Area High School.

We hope that this yearbook will help others to have good times and recall pleasant memories. This, in itself, will be reward enough for the many hours devoted by the staff in making this book possible.

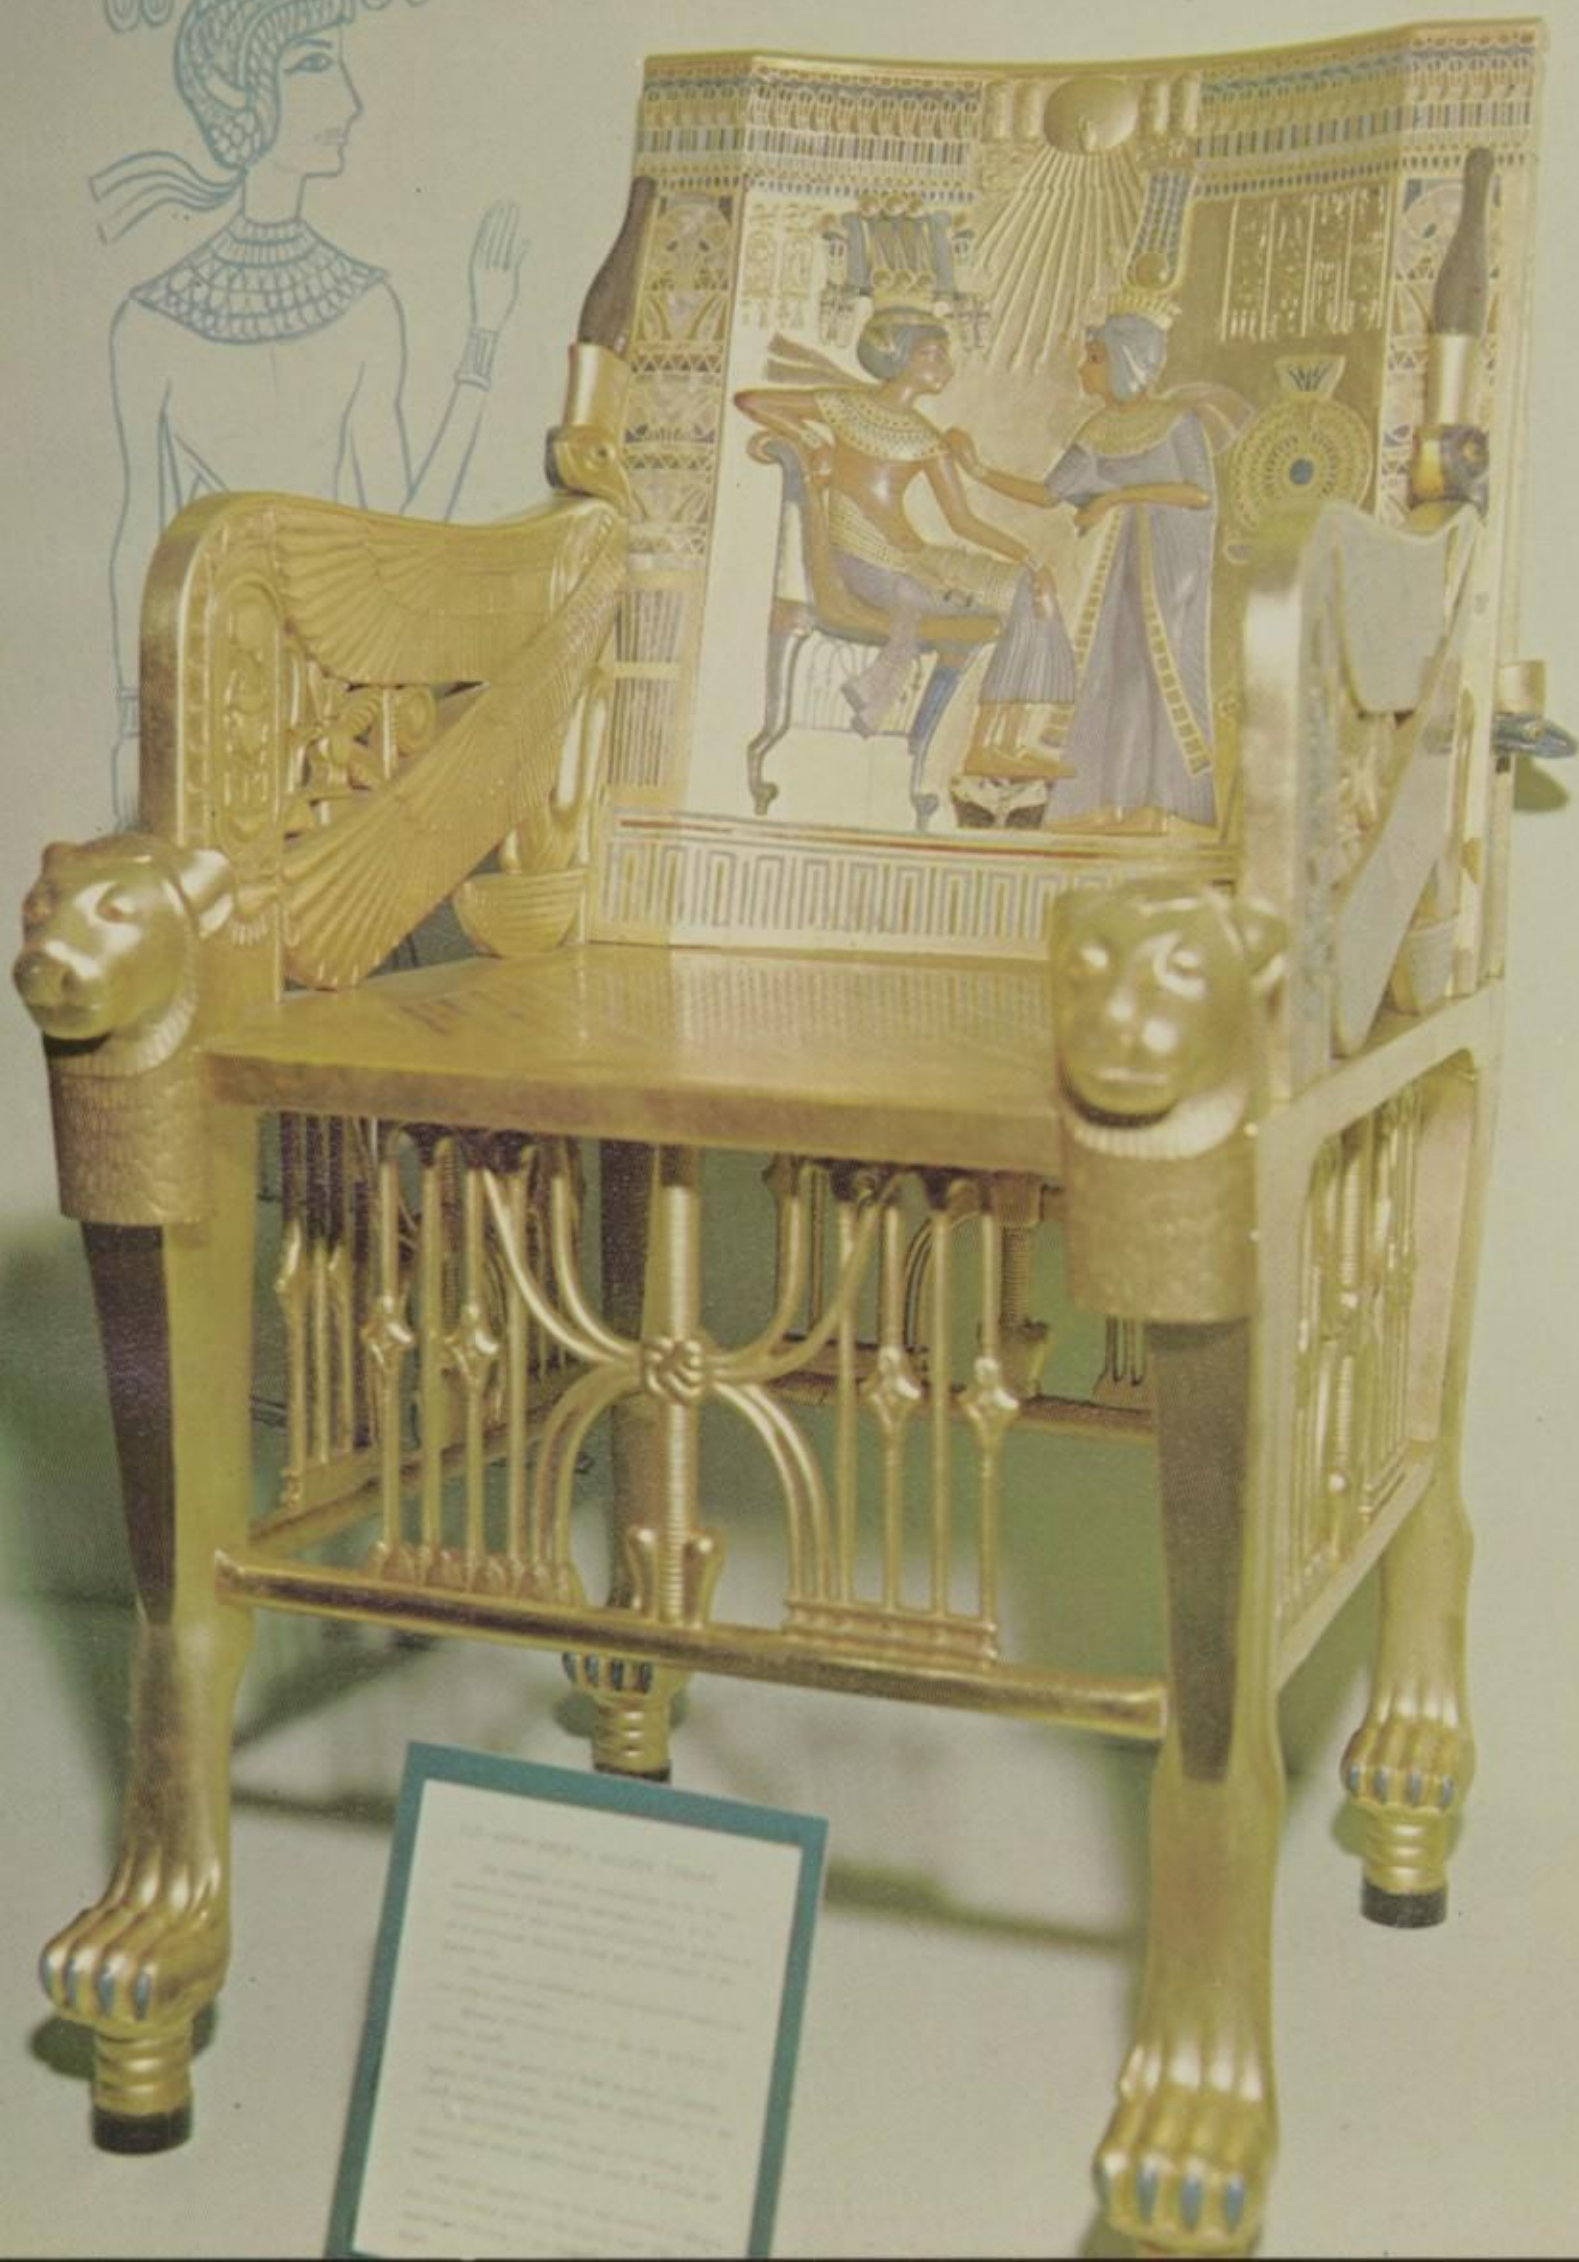

Dedication

We the class of 1966, proudly dedicate our Pinnacle to Mrs. Arlene K. Ernst who is greatly respected and liked by her students. Mrs. Ernst's devotion to her classes has helped many a student who would have gone otherwise unaided. We therefore hope that she will continue in her devotion which we greatly admire and appreciate.

ADMINISTRATION AND FACULTY

THE THRONE OF THE PHARAOH
The throne of the pharaoh was a symbol of power and authority. It was made of gold and was decorated with hieroglyphs and other symbols. The throne was used by the pharaoh to sit on and to receive his subjects. The throne was also used by the pharaoh to sit on and to receive his subjects. The throne was also used by the pharaoh to sit on and to receive his subjects.

Mr. John W. Ebling, Supervising Principal, Mr. William H. Wolfinger, Assistant Supervising Principal, Mr. Earl

S. Wahner, High School Principal, Mr. Lewis I. Shollenberger, Elementary Principal.

ADMINISTRATION

The administration strives to direct our school successfully and to keep it moving forward. The administration sets up rules to govern the school and punishes the offenders. They make up our schedules and supervise our studies. They are also the supervisors of the clubs, activities, assemble programs, and the cafeteria.

The backbone of every school is, of course, the faculty. HAHS is very fortunate to have such capable and understanding instructors. Sometimes we students tend to misunderstand our teachers, but they always have our best interests at heart. The Class of '66 would like to thank the faculty for the help they have given us throughout our high school years.

GIRLS' HOCKEY

After a long summer of leisure, our girls came back to school eager for sports. Even though pained from stiff muscles, they did their best.

This year's hockey league was a small one. Four teams comprised the league. Although the girls worked hard, their overall standing was one win and six losses.

SR. CHEERLEADERS

The Junior and Senior Varsity Cheerleaders, who are chosen during tryouts each spring, created spirit and support for our soccer and basketball teams. In addition to cheering, the girls conducted the flag ceremonies at home games, and attended cheering clinics and conventions.

This year the athletic council supplied the girls with new cardinal red and white uniforms.
